ANIMAL ANTICS \$350

Ages - age 5 (EC, PP) - 5th grade ***This class begins the week of 1/27/20.**

Each week we will visit with a new animal and find out all about it. We will look at the classification, habitat, habits, and characteristics of each new animal friend through observation, films, and hands-on experiences. The goal is to become familiar and comfortable with fun, new animals. Each student will have the opportunity to hold the animal friend, and a photograph will be taken and sent to parents. We will visit with reptiles, amphibians, mammals, and birds. Some of the children will even have the opportunity to bring their pet. An after school snack is also provided. Come have fun with some new furry, scaly, and slick animal friends. Choose either Wednesday OR Thursday **3:30 – 4:30 pm**

For more information or questions contact Susan Sutton, ssutton@shelton.org, 972-774-1772, x 2493

To register and pay for Animal Antics, please click <https://payit.nelnet.net/form/Hf4jbcbg>

ART CLUB \$350

Ages - Early Childhood (age 5), Pre-Primary – 5th grade

Do you enjoy being creative and want to explore a variety of art materials and techniques? We would love for you to join us in Art Club, where we will have fun creating new and interesting projects that we have never made before. This semester we will use clay to make a unique pottery project, as well as working with poured silicone/acrylic paint on canvas to make beautiful abstract effects, mixed-media sculpture, new printmaking techniques, painting and drawing with a variety of materials plaster of paris, and papier mache', among others. We will meet for 14 sessions, guided by Mrs. Stevens, who will share her knowledge and enthusiasm for working with these varied techniques and materials. All snacks are provided by the instructor, and material fees are included in the cost of the class.

Choose either Tuesday or Wednesday **3:30 – 4:30 pm** **(Tuesday class is full.)**

For more information or questions contact: Jennifer Stevens, jstevens@shelton.org

BAND \$459

Ages - 4th – 12th grade

If you were in band in the fall, your registration carries over to the spring.

The Shelton Band is open to all 4th – 12th grade students of all experience levels. Middle School Drumline is open to students in 6th – 8th grade. It is not too late to start band! Band meets every Tuesday and Thursday afternoon on campus; some students only attend one day. Students can choose any instrument to play including flute, clarinet, saxophone, trumpet, trombone, bass guitar, and drums.

All bands focus on performance and both the social and educational aspects of being a member of a band and learning an instrument. *Beginner* band requires no previous experience, while *Concert* band requires at least one year of experience on your instrument. All musicians will perform on campus for pep rallies, Mayfest, concerts, and other activities through the spring semester. Students are also eligible to attend the Spring Concert Tour during spring break in March and will perform at a Dallas Stars game in March.

To learn more, please visit: http://www.musiclearningband.com/Shelton_Band.pdf Contact Jerry Bishop or Ken Utz, Shelton Band Directors, at jbishop@shelton.org, kutz@shelton.org or 972-499-0831, option 6. *Music Learning Band is responsible for collecting payment from the parents, responsible party and/or band students.*

BROADWAY BOUND - Did Not Make

CHEERLEADING – Junior Chargers \$375 + \$150 uniform fee

Ages – PP - 4th grade **(Pre-primary & 1st grade has been added to the Wed. Class.)**

Ages – 5th and 6th grade

For athletes interested in representing Shelton School at pep rallies, sporting events, and spirit-related activities! This class is designed to enrich confidence and self-esteem while preparing athletes to lead fans with crowd responsive cheers and chants using signs, stunts, and poms. All levels are welcome to join. Practices will be held in a safe, challenging and rewarding environment enhancing motion, jump and stunt technique, as well as dance and showmanship skills.

Spring semester will be coordinated by Varsity Chargerettes Coach, Christina Rosen. She looks forward to working with our younger athletes to help grow and prepare them for their future within our Shelton Spirit Organization.

Practice schedule: (outside)

PP through 4th grade: Wednesdays **3:30 – 4:30 pm**

5th through 6th grade: Fridays **2:30 – 3:30 pm**

Class size is limited; please return registration/waiver and payment promptly to secure your spot on the team.

For more information or questions contact: Christina Rosen, crosen@shelton.org

COOK-A-BOOK \$350

Ages - Pre-Primary – 5th grade

Does your child love to watch Master Chef Junior or Kids Baking Championship? How about getting creative in the kitchen? Then this is the class for them! Each class students will prepare, cook, and eat a fun creative snack. They will also enjoy a story to help spark their creativity in the kitchen! Children love to explore and get creative with food, and now they can. This class will also help develop skills including independence, life skills, following directions, and cooperation with others. They will also have the opportunity to engage in the world of children's literature building on their language skills, auditory processing, vocabulary, problem solving skills, and imagination. Students will also create a recipe book of all the recipes made in class including ingredients, directions, and the book that accompanies the snack. When: Tuesday OR Thursday **3:30 – 4:30 pm**

For more information or questions contact: Nicole Miller, nmiller@shelton.org

To register and pay for Cook-a-Book, please click <https://payit.nelnet.net/form/oWp1Xfyc>

DRAMA - LET'S TALK ABOUT IT \$350 (Only 5th Grade Thursday Class is open.)

Ages – 5th grade

We will incorporate creative drama and improv techniques utilizing language-based foundations. This fun and energetic drama club will include many drama games (e.g. statues, etc.) improvisational scene work and character study. Language and social thinking skills will be emphasized. Snacks will be provided.

For 5th grade Thursdays

For more information or questions contact: Georgana Jinks, gjinks@shelton.org (MS Drama & Reading Specialist) OR Rachel Stock, rstock@shelton.org (MS, CCC-SLP, Speech Language Pathologist)

GAME DEVELOPMENT CLUB \$365

Ages – 6th – 8th grade

Bring imagination to life at **Game Development Club!**

Students are in for some hands-on learning about programming, animation, and more, honing new skills and working together in their quest to create videogames of their own design, limited only by their imaginations. Enrollment includes access to the program Construct 3 (Education Edition), which contains everything an aspiring creator needs to start making their own games right away.

As members of Game Development Club, students will...

- Create a simple game themselves in *just their first hour*
- Learn about different aspects of game development including art, animation, programming, game design, sound design, and music
- Get familiar with various professional software used to make music, art, and more
- Bring their projects home to show off, play, and build on as much as they want
- Work solo and together in teams to bring their creative ideas into reality!

When: Tuesdays **3:45 – 4:45 pm**

For more information or questions contact: Brendan Phillips, chromewisp@gmail.com

LEGO MANIA \$375 –Class is FULL

Ages - Early Childhood – 2nd grade

Kids are already naturally gifted creators. While diving into our massive collections of LEGO's they build elaborate objects, structures, and vehicles and explore the fundamental principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long-lasting. Don't let your child miss out on this awesome creative opportunity with their friends. When: Thursdays **3:30 – 4:30 pm**

For more information or questions contact: Lisa Winkler, lwinkler@shelton.org

LIFE SKILLS 2.0 \$400

Ages – 3rd, 4th, 5th grade

Is your child interested in learning things that directly transfer to everyday life? Would you like to best prepare your child for the real world? Does your child enjoy hands-on activities? Back by popular demand, Life Skills 2.0 will review and continue to build real world dependence. This semester we will be focusing on skills with exciting sewing projects! All materials and supplies will be provided and your child will get to take home their finished products. We look forward to building your child's practical life skills with hands-on practice as we collaborate as a group.

When: Wednesdays **3:30 – 4:30 pm**

For information or questions contact: Beth Womble, bwomble@shelton.org or Lena Hilbert, lhilbert@shelton.org

To register and pay for Life Skills 2.0, please click <https://payit.nelnet.net/form/2Cgh6QxQ>

MARTIALS ARTS - Did Not Make

MAKING MOVIES CLUB \$300

Ages – 1st – 5th grade

Come make a great movie with your friends! After we choose our story, we will learn how to act for film, how to film our scenes, how to costume actors, and how to use simple lighting, green screen and special effects. At the end of the class invite friends and family for our Epic Movie Premiere! Come join us for the first time or return for more movie making fun! When: Mondays **3:30 – 4:30 pm**

For more information or questions: Contact: Donna Gonzalez, LS Drama Teacher, dgonzalez@shelton.org

To register and pay for Making Movies Club, please click <https://payit.nelnet.net/form/ghjxKLiT>

STOP MOTION FILM (SMF) CLASS \$350 –Class is FULL

Ages – 6th, 7th, 8th grade

Using LEGO® elements and minifigures, students will work as a production crew and create three to five minute Stop Motion Film. Classes will include storyboards, set design, filming, and editing. The final project will be shown at a Premier Party with family and friends invited. Space is limited; maximum enrollment is 10. Class is held on Mondays. **3:45 – 4:45 pm**

{LEGO® elements, minifigures, and professional equipment provided.} (*The LEGO® Group has not authorized, endorsed, or approved this project.*) For more information or questions contact: brickLAB, Inc. /Michael Jensen, m1@mybricklab.com

WACKY SCIENCE \$375 –

Ages - Early Childhood (age 4), Pre-Primary – 2nd grade, as well as

Ages - Pre-Primary, 1st, 2nd, 3rd, 4th, and 5th grade -

CREATE! DISCOVER ! EXPLORE !

Wacky Science continues with weekly discoveries into the world of the unknown, often explainable with a little experimentation.

- Create a lava lamp with bubbles and blobs

- Set off an explosion of color by making water fireworks

- Discover the many forms of slime

- Make play clay in a microwave

- Use secret soap to create monstrous bubbles

- Put together a jar-rarium – a terrarium in a jar

- Grow a string of stalactites

- Discover the power of earth's magnetic fields with a homemade compass

Each week will perk your imagination. Science can get messy and sometimes does not turn out – that is why we experiment. Come have fun and see the possibilities of experimentation.

When (Choose one): for EC (age 4), PP, 1st -2nd: Thursdays **3:30 – 4:30 pm**

for PP, 1st – 5th: Mondays **3:30 – 4:30 pm**

For more information or questions contact: Mary Drexler, mdrexler@shelton.org

To register and pay for Wacky Science, please click <https://payit.nelnet.net/form/0UUIXotD>
