4) What paperwork is required for participation?

Physicals:

- **For all grade levels, physicals must be done each year** to participate in athletics and must be completed **prior to the 1st practice or tryouts**.
 - A copy of these physicals can either be emailed to khall@shelton.org, faxed to the Athletic Department via 972-761-1603 or handed in directly to Mrs. Kelly Hall.
 - These physicals will be shared with the school nurse and **you must use the TAPPS Physical Form** which can be downloaded and printed from the 'Athletic Paperwork' tab on the Athletics' webpage: www.shelton.org/athletics.

Online Athletic Forms:

- **All other required Athletic Forms are now completed online.**
 - The Athletic Department no longer accepts hard copies of these forms.
 - For directions and access to the online paperwork, please go to the 'Athletic Documents' tab on the Athletics' webpage.
 - **These online forms will be available mid-June for the new school year** and this paperwork is only done once during the school year.

Concussion Testing:

- Prior to the athletic season, all 10th and 12th grade athletes and untested athletes in 9th or 11th grade will be required to take the **baseline IMPACT test**. This test must be completed **prior to the 1st practice or tryouts**.

5) Can my child play more than one sport in a season?

- We encourage athletes to play as many sports as they can handle. However, athletes are not allowed to participate in **two** sports in the same season.
- Students in good academic standing and with no behavior or detention issues may participate in more than **one** sport in a season, so long as **one** is a team sport and the other is an individual (provided there are no significant schedule issues).
- Cheerleaders, Chargerettes, Wranglers, and Mascots are welcome to join other sports programs as long as the Sponsor, Coaches, and Athletic Director are in agreement prior to joining.
- Shelton sports should take priority over any outside programs.

6) What is the No-Quit Policy?

- Athletes take on a responsibility when they agree to participate on Shelton's athletic teams. Thus, the **no-quit policy** sets a cut-off date of the 1st date of competition for when athletes may drop a sport without being penalized.
- In the event that an athlete chooses to quit or is dismissed from a team after the 1st competition, he/she will not be eligible to participate on another team in that same season or in a sport the following season.
